**LETTERS IN SUPPORT OF WAYNE O'KEEFE**

To Whom It May Concern,

My name is Margie Harris we  
know Wayne O'Keefe for four years.  
He does have a great heart. But  
has also been in trouble a lot I  
really think if it was not for  
his father abusing him he  
would of turned out a lot better.  
He couldn't talk to his mother  
about what happened cause his  
mother was diagnosed with  
Cancer and that also took a toll  
on him. He has been in and out  
of jail and he realize his mistakes  
and he's really trying to have a  
better life. I only hope you'll  
see that he's done his time and  
give him a chance to prove  
that he can do better.

Thank you

Margie Harris

To Whom It May Concern<sup>3</sup>

Wayne Okie is my  
Cousin. I am quite  
concerned about his health  
and welfare as he has  
been in and out of jail  
I know he would have  
done better if his father  
hadn't molested him. It  
also a toll on him  
when his mother died from

Cancer. He has no one  
but me as a relative  
I know he knows he  
had made mistakes and  
I know he try hard to  
be better

Thank You

Your Honor,

I would like the court and the victims  
to know I deeply regret my actions.

I'm sorry for what I did and for any  
harm or fear I have caused the victims.

I have no right to put anyone in fear  
they were just working doing their  
jobs. I accept full responsibility for my  
actions.

I would like the court to know I'm working  
on myself to overcome the issues that  
have plagued me in life. I have always  
worked. I'm a union bricklayer. I was  
working at Epoxie Systems Inc. I've always  
held employment. So I believe I'll be able to  
obtain employment when released. I will  
work to put my life together and refrain  
from the destructive life I've been living  
by seeking and continuing counseling  
and treatment because I know I  
need it.
